HLTAID011 Provide First Aid and HLTAID009 Provide Cardiopulmonary Resuscitation

HLTAID011 Provide First Aid:

Through First Aid and CPR training you will learn the skills you need to respond to a medical emergency so you can save lives and reduce pain and injury until qualified medical help takes over. First Aid is the initial assistance or care of a suddenly sick or injured person or persons. It is the vital initial care given as soon as possible after an accident or illness.

HLTAID009 Provide Cardiopulmonary Resuscitation (CPR):

Cardiopulmonary Resuscitation (CPR) is the name given to the technique of combining external cardiac compressions with rescue breaths. CPR may be required in a range of situations, including community and workplace settings. This course provides the knowledge and skills needed to perform CPR in line with the Australian Resuscitation Council (ARC) guidelines.

Course Content Summary

- Respond in an emergency situation
- Apply appropriate first aid procedures
- Cardiopulmonary Resuscitation (CPR)
- Defibrillator / AED Training
