

RTO#32461

CPCCLDG3001 Licence to Perform Dogging

The training to achieve this High Risk Work Licence – Dogging (DG), consists of 3 components; formal theory training, supervised work experience and assessment.

Our Work Ready course consists of 5 days of intensive training with our qualified trainer and assessor. This course option is suitable for participants without access to a workplace to gain experience, or workplaces who don't have the resources to supervise staff while gaining experience. Learners must meet a level of practical ability before undergoing a Workplace Health & Safety Queensland licensing practical assessment on the final day. If at any time, the assessor recognises the need for the participant to undergo additional training, participants will be given their log book to obtain additional experience in the workplace or offered further hours to complete at an additional practical training session(s). Should this be required, re-attendance fees may apply.

On successful completion of this course, you will receive a Statement of Attainment and the required paperwork to apply for a High Risk Work (HRW) Licence – Dogging (DG) class. *Participants must be over the age of 18.*
