

RTO#32461

TLILIC0003 Licence to Operate a Forklift Truck

The training to achieve this High Risk Work Licence - Forklift (LF), consists of 3 components; formal theory training, supervised work experience and assessment.

Our Work Ready course consists of 3 days of intensive training with our qualified trainer and assessor. This course option is suitable for participants without access to a workplace to gain experience, or workplaces who don't have the resources to supervise staff while gaining experience. Learners must meet a level of practical ability before undergoing a Workplace Health & Safety Queensland licensing practical assessment on the final day. If at any time, the assessor recognises the need for the participant to undergo additional training, participants will be given a log book to obtain additional experience in the workplace or offered further hours to complete at an additional practical training session(s). Should this be required, re-attendance fees may apply.

On successful completion of this course, you will receive a Statement of Attainment and the required paperwork to apply for a High Risk Work (HRW) Licence – Forklift (LF) class. Participants must be over the age of 18.
